

Admach Systems Strengthens US Market Presence Amid Growing India-US Trade

Pune, February 06, 2026, Admach Systems Limited ([BSE - SME: 544669](#)) has secured a new purchase order from **Welspun Tubular LLC, USA**, marking another step forward in the Company's growing international engagement.

The order, valued at **USD 45,902 (approximately ₹41.35 lakh)**, involves the supply of a **Main Edge Milling Automated Tool Changing Device Structure** with a fully automated mechanism and high-precision fabrication and machining. This engagement highlights Admach's capability to deliver complex, customized automation solutions that meet global performance and quality expectations.

As on date, **Admach Systems Limited's order book stands at ₹77.36 crore**, providing solid revenue visibility and reinforcing confidence in business momentum.

India-US trade deal: Details of the newly announced Formally proposed in February 2025 following directions from the leadership of both countries, **the bilateral trade agreement aims to increase two-way trade from \$191 billion to \$500 billion by 2030**. paving the way for the United States to issue an executive order **lowering tariffs to 18%**. The formal pact is likely to be signed around mid-March.

Management Commentary

Commenting on the development, **Mr. Ajay Longani, Managing Director & Chairman, said:**

*"The management stated that the order from **Welspun Tubular LLC, a large global player**, underscores Admach Systems' growing acceptance in the US market. Strengthening **India-US trade and industrial collaboration** is opening new opportunities for Indian engineering companies, and such engagements enhance the Company's credibility while improving the potential for repeat and higher-value orders. The Company's focus on advanced automation and precision engineering supports scalable growth, margin resilience, and revenue diversification across geographies."*
